WHAT IS THE SCHOOL RUN4FUN GO GREEN PROGRAM?

The School Run4Fun Go Green program provides a fun-filled school fundraising event which aims to bring together our school and community with the added benefit of helping restore landscapes, reproduce natural ecosystems and reduce carbon emissions.

The more trees (and shrubs) planted the more carbon will be absorbed from the atmosphere thereby reducing the negative impact of greenhouse gases on our climate and our environment.

Lead the way to a greener Australia and help plant native trees (and shrubs) in communities throughout Australia.
