RESPONSIBLE FUNDRAISING

We are excited to have partnered with Hamilton Sunscreen, providing organisations with a range of high quality Australian made SPF50+ Sunscreen and Blistex Lip Balm at exceptional prices. Support your organisation and protect your member's skin from sun exposure by planning your Hamilton Sunscreen Fundraiser.

Hamilton Sunscreen is the oldest sunscreen manufacturer in Australia and are one of the most well-known and trusted health care brands. Sun protection during childhood is very important as it has a significant impact on a person's risk of skin damage later in life.

SENSIBLE & SUN SAFE

It's like a chocolate fundraiser but healthier. Our sunscreen fundraising carry packs are pre-packed with an assortment of Hamilton Active Family Sunscreen Lotion (125ml) and Blistex Lip Balms offering real value to your families.

BE SUNSMART

Sunscreen use is one of five important ways of reducing the risk of skin cancer. You cannot see or feel UV radiation. UV can be high even on cool and overcast days, so don't rely on clear skies and high temperatures to determine when you need to protect yourself from the sun.
